Flexible Student Job: Migration of our ETH Group Web Page

The Computational Biology Group (Prof Dagmar Iber, www.cobi.li or www.bsse.ethz.ch/cobi) at D-BSSE, ETH Zürich offers a student job (HiWi) for website migration.

ETH Zurich has recently introduced a new web content management system CQ5 [1]. We look for a student who is competent and experienced to move our current web page [2,3] to the new ETH web content management system CQ5 [1]. The expected total amount of work is 15-20 hours. The student will be paid 28 CHF/hour according to the ETH employment conditions. The job is flexible with regard to working location and time. The job can be started in October and needs to be finished by the end of the year.

Your tasks:
• Migrate our current group web page to CQ5
• Quality control by our group

Prerequisites:
• Experience with web content management systems, ideally CQ5
• Ability to work and acquire the necessary knowledge independently

If you are interested or have further questions, please contact Simon Tanaka (Simon.Tanka@bsse.ethz.ch).
